

## Validation of Antibody Specificity - by Matt Baker

**Seminar and Q&A Session**

**24.05.2017**

**15-16 Uhr**

WHERE: LMU Biomedical Center, Room: N02.017

Matt Baker is Director R&D and Business Development for Thermo Fisher Antibodies and Immunoassays. He is a specialist for antibody development and recombinant antibodies.

We work on validation of our 78.000 antibodies following the guidelines of the International Working Group on Antibody Validation (IWGAV) published in Nature Methods (Uhlen et al. 2016). Matt will give an overview about our global antibody validation strategy and answer questions.

The seminar is hosted by the BMC Core Facility Bioimaging, Snacks will be provided.
